He's trying to escape from a psychiatric hospital, and the player has to help him with that. Gameplay differs a little from the typical representatives of the genre. Users need time to jump over obstacles and slide under them, turn and collect coins. The main feature of the project is the crazy atmosphere. Since the protagonist is not a good head, it seems that the road obstacles make aliens and other unrealistic creatures. There are quite mundane obstacles in the form of cars. Ran into the street, knocking down spectators and earning additional bonuses. The game has good graphics, a fun soundtrack and the ability to upgrade features and change the look of an old woman. Angry Gran Run - a good representative of the genre that helps pass the time. Ace Viral Android 4.1 + Version: 2.5.0 \$0 Angry Gran Run (MOD, Unlimited Coins) - a great runner android device where you can help a very agile grandmother overcome all the obstacles in her path and catch the thief who took her handbag. Angry Gran Run is a game for mobile, which belongs to the action genre, runs the Android operating system and iOS operating system. You can install the game for free on Google Play or the App Store. Ace Viral drew inspiration from some of the working games to create angry gran run. At the beginning, when you start playing melt the 3D space, which was carefully nursed by programmers with sharp lines and street views. The player is not bored because the space in the game is changed every month. We look forward to it. In addition, the characters are also featured vividly from the look of the action. Smooth 3D Graphic describes the actions of characters such as running, turning left, turning right, jump, ... The color is bright, harmonizes the streets, buildings, trees, flowers and obstacles. Besides, the sound is very lively and dramatic. The player feels excited. The sound of the chase is true. Players mix the game. Every time you earn a coin, the sound also float up. Gameplay is very simple. You just need to help Granny escape, guide her through strange streets and avoid traps. It's your duty. He must run, jump, graze or slide over many different obstacles. The player must use many skills to help Granny avoid dangerous obstacles. Angry Gran Run, robots are organized everywhere along the way. You have to crush them and take their coins. And don't just run away, you have to collect gold coins as much as possible. They will help you upgrade and improve your strength. Coins are used to buy interesting items, such as armor. The devices help your character overcome obstacles more easily. For example: sinkhole, high wall, ... It is an important thing for Angry Gran Run, which is a change in the character appearance. Players can change Granny's appearance by buying new clothes such as 70's hippie gran, miracle gran, zombie gran and penguin costume. The clothes are so unique and cute, let's try to change your look to see how it looks. With a variety of running games, your character is tracked in temples, jungles or metro stations. But in angry gran run, chases take place on the streets of New York and Rome. Besides, the player can buy and upgrade a variety of abilities - ups equipment like bullet - time and invincible shields. They help his character increase power when he has to run for a long time. And you always remember aliens, dinosaurs and other crazy stuff. They're going to stop grandma if she runs away. To attract a lot of players, the publisher has to create a special point in your game. And Angry Gran Run is no exception. The game has new points that can be compared to a different version. First, the publisher has updated the new beautiful graphics in September. You'll see a new interface when you upgraded the game in September. The interface is cherry blossom trees, old - modern house lamps that are symbols of Japan. That's a new point, too. In addition, obstacles have been more guaranteed. When you play the game, you see rickshaws, monks, koi carp and you have to avoid them. In addition to the new environment in Japan, it will meet a new brand sign that is only Japanese. This is GOLEM - The body is made And she's very sweet. And you have to have a lot of signs to unlock power - ups and this new character. Besides, if you help grandma escape, you have to find the Mystery machine. The machine has many prizes to help buy many things. This is the last new point. We begin to explore new items in Angry Gran Run. You can have a guide when you play Angry Gran Run MOD APK. You take Granny through the streets of Japan in September running, jump, slide over obstacles. Your character needs to run so fast to run angry asylum. Your agility and skills will improve if you help him run away and avoid obstacles. The game becomes more dramatic than when robots are everywhere on the road. Angry Gran Run is a game that has many creations. The player can buy new clothes to change the appearance of the character. In addition, the theme of the game changes from month to month.
